Integrated Apparel OEM Since 2000

Introduction

About Us

OEM Apparel Manufacturer with Strong Sampling & Development Support

Ningbo China-Younger International Trade Co. LTD (NCYT) is a compliance-focused OEM apparel manufacturer serving international brands and importers.

We operate exclusively as an OEM partner, supporting our customers through in-house sampling, pattern making and technical optimization based on their designs. With an integrated trading team and owned manufacturing facility, we maintain close control over quality, lead time and communication from development through shipment.
